Professional Summary

Results driven Frontend Web Developer with a strong background in UX/UI design, database management, and API integration. Experienced in designing and developing responsive, user-friendly web applications using modern technologies. Adept at working with both SQL and NoSQL databases, ensuring efficient data management. Enthusiastic about optimizing user experiences through intuitive interfaces and seamless functionality.

Technical Skills

- **Frontend:** HTML, CSS, JavaScript, TypeScript, React, Angular
- **UX/UI Design:** Figma, Adobe XD, Wireframing, Prototyping, Usability Testing
- **Databases:** SQL (MySQL, PostgreSQL), NoSQL (MongoDB, Firebase)
- **APIs & Backend:** RESTful APIs, Node.js, Express.js
- **Version Control & Tools:** Git, GitHub, Docker
- **Testing & Optimization:** Lighthouse, Web Accessibility (WCAG)

Work Experience

Front End Developer

Phoenix Mates Technologies Inc.

January 2023 – continue, Mississauga, Canada

- Create wireframes and prototypes in Figma to enhance UX workflows.
- Develop responsive web applications using HTML, CSS, JavaScript/ES6, React.js, AXIOS, XML, and JSON.
- Integrate RESTful APIs for seamless frontend-backend communication.
- Optimize website performance, reducing load times by 40% through Lighthouse audits.
- Build and test MERN stack applications using MongoDB, Express.js, React.js, and Node.js.
- Collaborate with backend developers and designers to improve project efficiency.
- Design schemas, optimize queries, and ensure data integrity in SQL and NoSQL databases.
- Conduct testing and debugging to enhance application performance and resolve issues.
- Implement new features and improvements in existing applications.

- Utilize Git and GitHub for version control, participating in code reviews.
- Stay current with emerging front-end technologies and industry trends.
- Work in an Agile/Scrum environment alongside product managers, designers, and developers.
- Ensure quality standards and team goals with a meticulous approach.
- Debug and optimize applications using developer tools and advanced techniques.
- Test applications across browsers, devices, and platforms for responsiveness and compatibility.

Cashier / Inventory Clerk

Richtree Natural Market

Nov 2015 – Mar 2020, Mississauga, Canada

- Managed daily cash register operations, including opening, closing, and balancing tills.
- Provided friendly, efficient customer service by assisting with inquiries and processing purchases.
- Maintained accurate records of inventory, returns, and transactions to help reduce errors and improve daily operations.
- Consistently followed loss prevention procedures to reduce inventory shrinkage
- Trained new cashiers on POS system operations, customer service best practices, and company policies to ensure consistent performance and compliance.
- Managed customer complaints professionally, ensuring high satisfaction rates.

Returns Associate

AmerisourceBergen Canada

April 2011-March 2014, Mississauga, Canada

- Performed routine computer operations, including data retrieval, customer information management, credit and invoice processing, intercompany transfers, and data entry into internal systems.
- Resolved customer concerns and collaborated with vendors to address discrepancies.
